PUBLIC NOTICE

The Planning Board and the Historic Preservation Commission will hold a joint meeting on November 29, 2010 at 7PM in Conference Room at City Hall to discuss their respective powers and responsibilities in reviewing applications for development or renovation of historic buildings in light of both the Municipal Land Use Law and the City's Code.

Wayne McCabe, a historic preservationist and planner, will be the guest speaker and will discuss a variety of issues including the interrelationship of the HPC, Planning Board and ZBA as well as the need for a comprehensive historic site inventory, how this relates to the Historic Preservation Element of the Master Plan, what the Certified Local Government program is and how sustainable redevelopment ties into historic preservation.

The public is welcome to attend.
