Time: 6.00 p.m. to 8.00 p.m.

Location : Rue Building Auditorium,

The City of Hoboken is working to produce the Redevelopment Plan for Hoboken Terminal and Rail Yards property. A two phase redevelopment plan, which will reflect the vision and needs of the community, is underway. Phase I of the Redevelopment Plan will be prepared first, focusing on the 1.8 acre portion along Hudson Place – One Hudson Place. The plan for Phase 2 of the plan will include the remaining portion of the 52 acre Hoboken Terminal and Yards.

This is an invitation to participate in a conversation about Phase 1 and Phase 2 Redevelopment Plan and this important site within the City.

First community meeting will:

- Review existing site conditions and constraints for One Hudson Place property.
- Discuss issues, opportunities, and your priorities to guide the Redevelopment Plan.

We want to share our ideas and hear yours. Help us in this effort by attending and encouraging your family and friends to do so as well.
