INTERPRETATION AND ADDENDA

1. The Vendor understands and agrees that its proposal is submitted on the basis of the specifications prepared by the City. The Vendor accepts the obligation to become familiar with these specifications.
2. Vendors are expected to examine the specifications and related proposal documents with care and observe all their requirements. Ambiguities, errors or omissions noted by Vendors should be promptly reported in writing to the appropriate official. Any prospective Vendor who wishes to challenge a proposal specification shall file such challenges in writing with the contracting agent no less than three (3) business days prior to the opening of the proposals. Challenges filed after that time shall be considered void and having no impact on the contracting unit or the award of a contract pursuant to N.J.S.A. 40A:11-13. In the event the Vendor fails to notify the City of such ambiguities, errors or omissions, the Vendor shall be bound by the requirements of the specifications and the Vendor’s submitted proposal.

The City’s interpretations or corrections thereof shall be final.

4. Discrepancies in Proposals

- If the amount shown in words and its equivalent in figures do not agree, the written words shall be binding. Ditto marks are not considered writing or printing and shall not be used.
- In the event that there is a discrepancy between the unit prices and the extended totals, the unit prices shall prevail. In the event there is an error of the summation of the extended totals, the computation by the City of the extended totals shall govern.

8. THE PUBLIC WORKS VENDOR REGISTRATION ACT

Where applicable: N.J.S.A. 34:11-56.48 et seq. requires that a general or prime vendor and any listed subcontractors named in the vendor's proposal shall possess a certificate *at the time the proposal is submitted*. After proposal proposals are received and prior to award of contract, the successful vendor shall submit a copy of the vendor's certification along with those of all listed subcontractors. All non-listed subcontractors and lower tier sub-subcontractors shall be registered prior to starting work on the project. It is the general vendor's responsibility that all non-listed sub-vendors at any tier have their certificate prior to starting work on the job.

Under the law a "vendor" is "a person, partnership, association, joint stock company, trust, corporation or other legal business entity or successor thereof who enters into a contract" which is subject to the provisions of the New Jersey Prevailing Wage Act [N.J.S.A. 34:11-56.25, et seq.] It applies to vendors based in New Jersey or in another state.

The law defines "public works projects" as contracts for "public work" as defined in the Prevailing Wage statute [N.J.S.A. 34:11-56.26(5)]. The term means:

- "Construction, reconstruction, demolition, alteration, or repair work, or maintenance work, including painting and decorating, done under contract and paid for in whole or in part out of the funds of a public body, except work performed under a rehabilitation program.

- "Public work" shall also mean construction, reconstruction, demolition, alteration, or repair work, done on any property or premises, whether or not the work is paid for from public funds..."
- "Maintenance work" means the repair of existing facilities when the size, type or extent of such facilities is not thereby changed or increased. While "maintenance" includes painting and decorating and is covered under the law, it does not include work such as routine landscape maintenance or janitorial services.

To register, a vendor must provide the State Department of Labor with a full and accurately completed application form. The form is available online at www.state.nj.us/labor/lsse/lspubcon.html.

N.J.S.A. 34:11-56.55 specifically prohibits accepting applications for registration as a substitute for a certificate of registration.

9. NON-COLLUSION AFFIDAVIT

The Affidavit shall be properly executed and submitted with the proposal.

10. PAY TO PLAY

Starting in January, 2007, business entities are advised of their responsibility to file an annual disclosure statement of political contributions with the New Jersey Election Law Enforcement Commission (ELEC) pursuant to N.J.S.A. 19:44A-20.27 if they receive contracts in excess of \$50,000 from public entities in a calendar year.

Business entities are responsible for determining if filing is necessary. Additional information on this requirement is available from ELEC at 888-313-3532 or at www.elec.state.nj.us.

1. The City and the successful Vendor, in accordance with N.J.S.A.40A:11-24 (b), shall execute said contract within twenty-one (21) days, Sundays and holidays excluded after Notice of Award. The parties however may agree to extend the twenty-one (21) day period in the event the contract cannot be signed in a timely manner. Failure or neglect of the Vendor to execute said contract or to contact the City to request an extension to execute said contract shall constitute a breach and the City can award the contract to the next lowest Vendor. resulting from this proposal shall be subject to the availability and appropriation of sufficient funds annually.

2. The form of contract shall be submitted by the City to the successful Vendor. Terms of the specifications/proposal package prevail. Vendor exceptions must be formally accepted by the City. Vendor exceptions must be listed on the vendor's submitted proposal in order to be considered by the City.
3. The City reserves the right to waive immaterial formalities. The City reserves the right to procure these items under State Contracts or inter-local agreements, if so desired.
4. The acceptance of a Proposal shall bind the successful Vendor to execute the contract or to be responsible for liquidated damages in the amount of ten percent (10%) of the proposed costs if the vendor fails to enter into the contract or perform services there under.

CAUSES FOR REJECTING PROPOSALS

Proposals may be rejected for any of the following reasons:

1. All proposals pursuant to N.J.S.A. 40A:11-13.2;
2. If more than one (1) proposal is received from an individual, firm or partnership, corporation or association under the same name;
3. Multiple proposals from an agent representing competing Vendors;
4. The proposal is inappropriately unbalanced;
5. The Vendor is determined to possess, pursuant to N.J.S.A. 40A:11-4b, Prior Negative Experience; or,

If, through any cause, the Vendor shall fail to fulfill in a timely and proper manner obligations under the contract or if the Vendor shall violate any of the requirements of the contract, the City shall there upon have the right to terminate the contract by giving written notice to the Vendor of such termination and specifying the effective date of termination. Such termination shall relieve the City of any obligation for balances to the Vendor of any sum or sums set forth in the contract. City will pay only for goods and services accepted prior to termination.
2. Notwithstanding the above, the vendor shall not be relieved of liability to the City for damages sustained by the City by virtue of any breach of the contract by the Vendor and

the City may withhold any payments to the Vendor for the purpose of compensation until such time as the exact amount of the damage due the City from the Vendor is determined.

3. The Vendor agrees to indemnify and hold the City harmless from any liability to Subcontractors/suppliers concerning payment for work performed or goods supplied arising out of the lawful termination of the contract by the City under this provision.
4. In case of default by the Vendor, the City may procure the goods or services from other sources and hold the Vendor responsible for any excess cost.
5. Continuation of the terms of the contract beyond the fiscal year is contingent on availability of funds in the following year's budget. In the event of unavailability of such funds, the City reserves the right to cancel the contract.
6. **ACQUISITION, MERGER, SALE AND/OR TRANSFER OF BUSINESS, ETC.**
It is understood by all parties that if, during the life of the contract, the Vendor disposes of his/her business concern by acquisition, merger, sale and or/transfer or by any means convey his/her interest(s) to another party, all obligations are transferred to that new party. In this event, the new owner(s) will be required to submit all documentation/legal instruments that were required in the original proposal/contract. Any change must be approved by the City.
7. The Vendor will not assign any interest in the contract and shall not transfer any interest in the same without the prior written consent of the City.

Notice of termination pursuant to this subparagraph shall be effective immediately upon the giving of said notice.

FOR CONSTRUCTION CONTRACTS:

During the performance of this contract, the Vendor agrees as follows:

The Vendor or Subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. The Vendor will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Vendor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The Vendor or Subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the Vendor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, sex, affectional or sexual orientation.

The Vendor or Subcontractor where applicable, will send to each labor union or representative or workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor

union or workers; representative of the Vendor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The Vendor or Subcontractor, where applicable, agrees to comply with the regulations promulgated by the Treasurer pursuant to P.L. 1975, c. 127, as amended and supplemented from time to time and Americans with Disabilities Act.

When hiring workers in each construction trade, the vendor or subcontractor agrees to attempt in good faith to employ minority and female workers in each construction trade consistent with the applicable employment goal prescribed by N.J.A.C. 17:27-7.3; provided, however, that the Affirmative Action Office may, in its discretion, exempt a vendor or subcontractor from compliance with the good faith procedures prescribed by the following provisions A, B, and C, as long as the Affirmative Action Office is satisfied that the vendor is employing workers provided by a union which provides evidence, in accordance with the standards prescribed by the Affirmative Action Office, that its percentage of active "card carrying" members who are a minority and female workers is equal to or greater than the applicable employment goal prescribed by N.J.A.C. 17:27-7.3, promulgated by the Treasurer pursuant to P.L. 1975, c 127, as amended and supplemented from time to time. The vendor or subcontractor agrees that a good faith effort shall include compliance with the following procedures:

- A) If the vendor or subcontractor has a referral agreement or arrangement with a union for a construction trade, the vendor or subcontractor shall within three (3) days of the contract award, seek assurances from the union that it will cooperate with the vendor or subcontractor as it fulfills its affirmative action obligations under this contract and in accordance with the rules promulgated by the Treasurer pursuant to P.L. 1975, c. 127, as supplemented and amended from time to time. If the vendor or subcontractor is unable to obtain said assurances from the construction trade union at least five (5) days prior to the commencement of construction work, the vendor or subcontractor agrees directly to attempt to hire minority and female workers consistent with the applicable employment goal. If the vendors or subcontractors prior experience with the construction trade union, regardless of whether the union has provided said assurances, indicates a significant possibility that the trade union will not refer sufficient minority and female workers consistent with the applicable employment goal, the vendor or subcontractor agrees to prepare to hire minority and female workers directly, consistent with the applicable employment goal, by complying with the hiring procedures prescribed under (B) below; and the vendor or subcontractor further agrees to immediately take said action if it determines or is so notified by the Affirmative Action Office that the union is not referring minority or female workers consistent with the applicable employment goal.
- B) If the hiring of workforce consistent with the employment goal has not or cannot be achieved for each construction trade by adhering to the procedures of (A) above, or if the vendor does not have referral agreement or arrangement with a union for a construction trade, the vendor or subcontractor agrees to take the following action consistent with the applicable county employment goals:
 - 1. To notify the Public Agency Compliance Officer, Affirmative Action Office, and at least one approved minority referral organization of its manpower needs and request referral of minority and female workers;

2. To notify any minority and female workers who have been listed with it as awaiting available vacancies.
3. Prior to commencement of work, to request the local construction trade union, if the vendor or subcontractor has a referral agreement or arrangement with a union for the construction trade, to refer minority and female workers to fill job openings;
4. To leave standing request for additional referral to minority and female workers with the local construction trade union, if the vendor or subcontractor has a referral agreement or arrangement with a union for the construction trade, the State training and employment service and other approved referral sources in the area until such time as the workforce is consistent with the employment goal;
5. If it is necessary to lay off some of the workers in a given trade on the construction site, to assure, consistent with the applicable State and Federal statutes and court decisions, that sufficient minority and female employees remain on the site consistent with the employment goal; and to employ any minority and female workers so laid off by the vendor or any other construction site in the area on which its workforce composition is not consistent with an employment goal established pursuant to rules implementing P.L. 1975. C. 127;

To adhere to the following procedure when minority and female workers apply or are referred to the vendor or subcontractor:

- i) If said individuals have never previously received any document or certifications signifying a level of qualification lower than required, the vendor or subcontractor shall determine the qualifications of such individuals and if the vendors or subcontractors workforce in each construction trade is not consistent with the applicable employment goal, it shall employ such persons which satisfy appropriate qualification standards; provided however, that a vendor or subcontractor shall determine that the individual at least possesses the skills and experience recognized by any worker skills and experience classification determination which may have been made by a Public Agency Compliance Officer, union, apprentice program or a referral agency, provided the referral agency, is acceptable to the Affirmative Action Office and provided further, that, if necessary, the vendor or subcontractor shall hire minority and female workers who qualify as trainees pursuant to these rules. All of the requirements of this paragraph, however, are limited by the provisions of (C) below.
 - ii) If the vendors or subcontractors workforce is consistent with the applicable employment goal, the name of said female or minority group individual shall be maintained on a waiting list for the first considerations in the event the vendors or subcontractors workforce is no longer consistent with the applicable employment goal.
 - iii) If, for any reason, said vendor or subcontractor determines that a minority individual or a female is not qualified or if the individual qualifies as an advance trainee or apprentice, the vendor or subcontractor shall inform the individual in writing with the reasons for the determination, maintain a copy in its files, and send a copy of the Public Agency Compliance Officer and to the Affirmative Action Office.
7. To keep a complete and accurate record of all requests made for the referral of workers in any trade covered by the contract, on forms made available by the Affirmative Action Office and shall be submitted promptly to that office upon request.

C) The vendor or subcontractor agrees that nothing contained in (B) preceding provision shall preclude the vendor or subcontractor from complying with the hiring hall or apprenticeship

provision in any applicable collective bargaining agreement or hiring hall arrangement, and, where, required by custom or agreement, it shall send journeymen and trainees to the union for referral, or to the apprenticeship program for admission, pursuant to such agreement or arrangement: provided, however, that where the practices of a union or apprenticeship program will result in the exclusion of minorities and females or the failure to refer minorities and females consistent with the county employment goal, the vendor or subcontractor shall consider for employment persons referred pursuant to said provisions (B) without regard to such agreement or arrangement; provided further, however, that the vendor or subcontractor shall not be required to employ female and minority advanced trainees and trainees in numbers which results in the employment of advanced trainees and trainees as a percentage of the total workforce for the construction trade, which percentage significantly exceeds the apprentice to journey worker ratio specified in the applicable collective bargaining agreement, or on the absence of a collective bargaining agreement, exceeds the ratio established by practice in the area for said construction trade. Also, the vendor or subcontractor agrees that, in implementing the procedures of the proceeding provisions (B) it shall, where applicable, employ minority and female workers residing within the geographical jurisdiction of the union.

- D) The vendor agrees to complete an Initial Project Manning Report on forms provided by the Affirmative Action Office or in the form prescribed by the Affirmative Action Office and submit a copy of said form no later than three days after signing a construction contract; provided, however, that the public agency may extend in a particular case the allowable time for submitting the form to no more than fourteen days; and to submit a copy of the monthly Project Manning Report once a month (by the seventh work day of each month) thereafter for the duration of this contract to the Affirmative Action Office and to the Public Agency Compliance Officer. The vendor agrees to cooperate with the public agency in the payment of budgeted funds, as is necessary, for on-the-job programs for outreach and training of minority and female trainees employed on construction projects.
- E) The vendor and its subcontractors shall furnish such reports or other documents to the Affirmative Action Office as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the affirmative action office for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code (NJAC 17:27).

APPENDIX B
AMERICANS WITH DISABILITIES ACT OF 1990
Equal Opportunity for Individuals with Disability

The Vendor and the City of Hoboken, (hereafter "City") do hereby agree that the provisions of Title 11 of the Americans With Disabilities Act of 1990 (the "Act") (*42 U.S.C. S121 01 et seq.*), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant there unto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the City pursuant to this contract, the Vendor agrees that the performance shall be in strict compliance with the Act. In the event that the Vendor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the Vendor shall defend the City in any action or administrative proceeding commenced pursuant to this Act. The Vendor shall indemnify, protect, and save harmless the City, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages, of whatever kind or nature arising out of or claimed to arise out of the alleged violation. The Vendor shall, at its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the City's grievance procedure, the Vendor agrees to a proposal by any decision of the City which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the City, or if the City incurs any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the Vendor shall satisfy and discharge the same at its own expense.

The City shall, as soon as practicable after a claim has been made against it, give written notice thereof to the Vendor along with full and complete particulars of the claim, If any action or administrative proceeding is brought against the City or any of its agents, servants, and employees, the *City shall* expeditiously forward or have forwarded to the Vendor every demand, complaint, notice, summons, pleading, or other process received by the City or its representatives.

It is expressly agreed and understood that any approval by the City of the services provided by the Vendor pursuant to this contract will not relieve the Vendor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the City pursuant to this paragraph.

It is further agreed and understood that the City assumes no obligation to indemnify or save harmless the Vendor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the Vendor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the Vendor's obligations assumed in this Agreement, nor shall they be construed to relieve the Vendor from any liability, nor preclude the City from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.
