

A Letter from the Acting Mayor of Hoboken, Dawn Zimmer:

Dear Residents,

Due to budgetary constraints in 2008, the CrossTown Shuttle bus was eliminated much to all of our dismay. It has been a priority of my administration to see this important service reinstated immediately. In doing so, we are also working with interested residents to address some of the major shortcomings of the previous service, including length and confusion of the routes, as well as reliability and frequency of the service.

The first route of this new service can cover the downtown area of the city in less than thirty minutes. That means it comes more often than before and is also more reliable. The simplified route also makes it easier for all residents to understand and use. The end result is that many more Hobokenites will benefit from this new service.

But we're not stopping here! The reinstated CrossTown Shuttle bus is our first step in an effort to provide you with modern, convenient, first class public transit throughout Hoboken. In the near future, we will be introducing additional routes and features that will go further to:

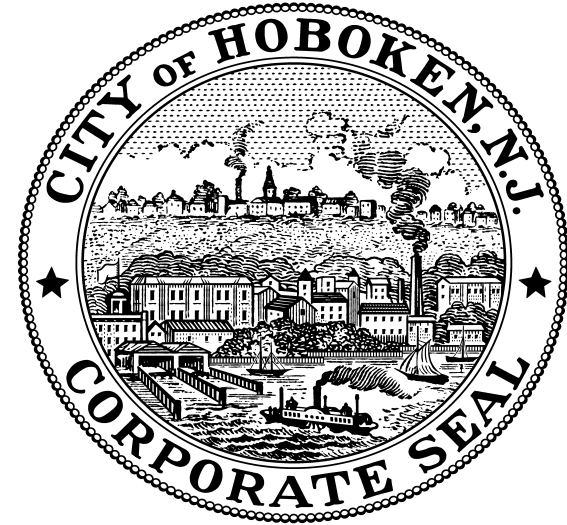

- *Speed up boarding when pay-per-ride is replaced by unlimited passes*
- *Bring residents closer when other areas of the city are interconnected*
- *Reduce budget constraints when the shuttle system is self-sustaining*
- *Reduce local traffic when the shuttle bus is preferable to driving/parking*
- *Improve quality of life when transit is a fun, convenient, easy alternative*

The reintroduction of the CrossTown Bus is an ongoing project and your suggestions are important for its success. We are providing a suggestion box on the bus for your input and you can also contact us at (201) 420-2033 or via e-mail at crosstown@hobokennj.org to share your ideas.

Sincerely,

END OF AFTERNOON SCHEDULE												

The Downtown CrossTown Shuttle runs Monday through Friday. THERE IS CURRENTLY NO SERVICE ON SATURDAY OR SUNDAY.

Fare: \$1.00 (.50 cents for senior citizens and students). Children under 12 years of age ride for free when accompanied by an adult.
Exact change required.

Getting on/off: Your driver will pick-up and drop-off at the far-side corner of any street along the route. Far-side corner means the bus will cross the intersection before stopping to pick-up or drop-off passengers (this is so that other vehicles are not blocked by the bus).

If you have any questions or need further information regarding our transportation services please call (201) 420-2033 or visit us online at www.hobokennj.org.
