Bicycle Rack & Bicycle Repair Station Donation Form

Date ____________________

BUSINESS/RESIDENT/PROPERTY OWNER INFORMATION

Name ____________________________________________________________

ADDRESS ____________________________________________________________________________

CITY ________________________________ STATE __________________________ ZIP CODE ______________

PHONE # ___________________________ EMAIL ADDRESS ____________________________

BICYCLE RACK INFORMATION

# Of Bicycle Racks to be Sponsored: ______

Requested Location* of Bicycle Rack(s): _________________________________________________

(Optional: Attach Map)

*Note: Requested locations will be inspected by City staff to ensure the repair station can meet engineering standards and would not impede typical pedestrian traffic flow.

- Inverted U (2 Capacity) Bike Rack: This bike rack costs $190 to purchase and $25 to install
BICYCLE REPAIR STATION INFORMATION

Bicycle repair stations allow cyclists to make minor repairs to their bikes using a free air pump and other tools including Allen wrenches, box wrenches, and screwdrivers. The repair stands improve the convenience for cyclists making minor, routine repairs, much like services that gas stations often provide for drivers.

Requested Location* of Bicycle Repair Station: ____________________________________________

(Optional: Attach Map)

*Note: Requested locations will be inspected by City staff to ensure the repair station can meet engineering standards and would not impede typical pedestrian traffic flow.

- Bicycle Repair Station costs $1,200 to purchase and $50 to install
DONATION INFORMATION

The City has created a trust fund for the collection of donations intended to increase bicycle parking/infrastructure throughout the city. Checks for donations for the purchase of City bicycle racks/repair stations should be made out to the “City of Hoboken” for combined amount of the bike rack/repair station purchase and installation. Please note that you are sponsoring a public bike rack/repair station located on public property that will be available for bike parking/repair use to the general public. The duration of all sponsorships will be for the useful life of the bike rack/repair station (approximately 5-10 years). We will notify you of the installation and will include sponsorship credit in the form of an engraved plaque on or adjacent to the bike rack/repair station. Thank you very much for your generosity!

FOR OFFICE USE ONLY – DO NOT WRITE BELOW THIS LINE

WIDTH OF SIDEWALK: ___________________________      INSPECTOR: ___________________________

WILL THE INSTALLATION OF A BICYCLE RACK AT PROPOSED LOCATION INTERFERE WITH THE CONVENIENT FLOW OF TYPICAL PEDESTRIAN TRAFFIC? YES/NO
