

Dear Mayor Zimmer,

Please accept this letter of support from the Hoboken Rotary Club for your great planning in the redevelopment of Washington Street. Many of our members are business owners in town and are anxious to revitalize our main avenue of business. We appreciate all the effort you and your team have put in to gain feedback from the community and feel the proposed plan would greatly improve Washington Street.

You have our full support and please let us know if we can be of any assistance in the process.

Sincerely,
